**\*Parks Department:**

\*Water installment is not going to happen due to Yokes going in.

\*Dave ran a hose line from the little dog park to the big park.

\*Jen has the key for the poop bag dispensers and is still looking for sponsors to cut the cost.

\*Trash cans will be replaced because the trucks don't want to pick them up no more.

\*We will be blocking off an area in the big park to re sod and we decided not to pitch in the money for the sod.

**\*Fundraising Report**

\*Pooch Plunge was a success. We had 249 dogs. We did \$61 in bottled water, \$543 in silent auction and \$150 in memberships. Ideas to improve for next year are more food, signage, vendors and look into a credit card swipe machine. We will start planning for next year in April 2013.

\*Pancake feed is doing great. We sold 175 tickets as of today. Any tips we get will go into a donation jar. We still need helpers.

**New Business**

**Upcoming Projects/Events:**

\*Bill is still working on the dog desserts with Texas Roadhouse and Red Robin. Our goal is to do this in December

\*Lynsey is waiting to hear back from Shawna with the Fever to sign up for the 50/50 raffle.

\*Tom is doing pennies for puppies with Ridgemore School in December.

\*IHOP on Canal will do 20% off customer's bills and that money will go to the TCDPS. That will be in the spring of 2013.

**Report on Work Events at Park:**

\*The Richland Rotary is still going to donate shelters but want to change which shelters go in and so that is being discussed.

**Media update:**

\*The website has much approved and is getting a positive response. We have gotten over 200 visitors to the site some even from out of state.

\*Adding a calendar of events will help make the website look good

**Membership forms:**

\*We agree that putting the rules on the back of the membership forms and having them sign that they read the rules might help with the rules not being broken.

**Open Discussion:**

\*Lynsey is resigning as secretary of the TCDPS. We will need to start looking for her replacement.

\*We discussed having a winter meeting schedule and agreed we should keep our meetings going every month since we have a lot of events to plan and to stay on track.

**Next Meeting:**

\*Wednesday, November 7th at 6:30pm \*POPP, 524 Railroad, Richland

**Meeting was adjourned at 7:45pm**
