

## The Tri-City Dog Park Society

### Become A Member!

The Tri-City Dog Park Society was established to promote and maintain dog parks in the greater Tri-Cities area. A dog park is a designated recreational area where owners can let their dogs exercise off-leash. In addition to being a lot of fun, dog parks help dogs become better citizens, create social hubs in the community, and promote responsible pet ownership. The permanent dog park at Badger Mountain Community Park is now a reality. It is named "Paws-abilities Place" in memory of Audrey Lee Ulrich. Our mission is to increase the number of off-leash parks in the Tri-Cities area. We are currently looking for energetic members to help with our mission. Visit our web site at [www.tricitydogparks.org](http://www.tricitydogparks.org) for more information.
